Dispatch Service Definition

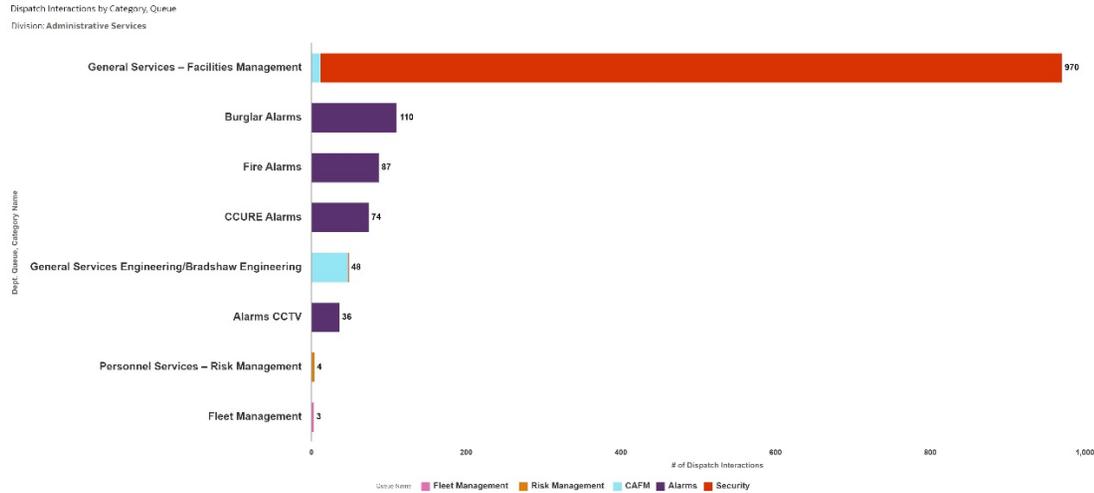

The Sacramento County 311 Communications Center provides dispatch services 24 hours a day 7 days a week for departments that do not have a public facing telephone line. After regular business hours, 311 generates service requests on behalf of most departments and provides immediate notification to departmental on-call staff by radio, telephone, or text message. Departmental staff acknowledge receipt of the request and respond by providing the specific requested service, even after-hours and on holidays. Departments determine what requires an immediate dispatch and which staff members to contact outside of their regular business hours.
